TRANSFER POLICY

The College considers hours for transfer students from other institutions on a case by case basis. Transfer hours accepted by the College are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Students who have had previous training outside the State of California must furnish proof to the California Board of Barbering and Cosmetology (BBC) of clock/credit hours earned. After an evaluation, the BBC will notify the student, in writing, of the required number of hours that must be completed in a California School of Cosmetology to be eligible to take the state licensing examination. If a student is licensed in another state and does not meet the reciprocity requirements from the BBC, and is required by the BBC to complete deficient hours, the student will need to follow the Admission and Enrollment Requirements found in this catalog. It is the student's responsibility to provide copies of all records of withdrawal from periods of previous training.

The cost for transfer students is based upon the current per-hour tuition rate. The per-hour cost does not include the cost of the required equipment and textbooks.

FEDERAL TITLE IV FINANCIAL AID (available to those who qualify)

Federal Title IV Financial Aid (available to those who qualify)

Through the U.S. Department of Education, the College is eligible to participate in student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended.

To apply for federal student aid, such as federal grants and loans, you need to complete the Free Application for Federal Student Aid (FAFSA) <https://fafsa.ed.gov/>. Completing and submitting the FAFSA is free, and it gives you access to the largest source of financial aid to pay for college or career schools.

To complete the Free Application for Federal Student Aid (FAFSA), you will need:

- Your Social Security Number
- If you are not a citizen, your Alien Registration Number
- Your federal income tax returns, W-2's, and other records of money earned (Note: You may be able to transfer your federal tax return information into your FAFSA using the IRS Data Retrieval Tool.)
- If applicable, bank statements and other investment records
- If applicable, records of untaxed income
- If applicable, the same information as above for your parent(s)
- Lytle's Beauty College, School Code 013807
- An FSA ID to electronically sign your FAFSA
The [FSA ID](#) is a username and password combination that serves as a student's or parent's identifier to allow access to personal information in various U.S. Department of Education systems and acts as a digital signature on some online forms.

Once the college receives a student's FAFSA information a Financial Aid Package will be created. The Financial Aid Package will include the total amount of financial aid a student is offered by a college or career school. The school's financial aid staff combines various forms of aid into a "package" to help meet a student's education costs.

Eligibility requirements and other useful information about federal student aid can be found here <https://studentaid.ed.gov/sa/>

Note: Student assistance funds are intended for educational purposes only. All students must meet the eligibility requirements at all times.

GRANTS & SCHOLARSHIPS

What kinds of federal grants are available?

The U.S. Department of Education (ED) offers a variety of federal grants to students attending college or career schools. Grants are financial aid that doesn't have to be repaid (unless, for example, you withdraw from school and owe a refund). Listed below are the grants Lytle's Beauty College participates with:

[Federal Pell Grants](#) - The Federal Pell Grant Program provides need-based grants to low income undergraduate students to promote access to postsecondary education. For the current award year, the maximum Pell Grant award is \$5920.00.

[Federal Supplemental Educational Opportunity Grants \(FSEOG\)](#)- Will be awarded to students with the greatest financial need, as determined by the FAFSA. For the current award year, the maximum award is \$250.00 for an academic year.

FEDERAL DIRECT SUBSIDIZED & UNSUBSIDIZED STUDENT LOANS:

What kinds of federal student loans are available?

The U.S. Department of Education (ED) offers the federal student loan program, which eligible students and parents borrow directly from the U.S. Department of Education at participating schools. Direct Subsidized Loans, Direct Unsubsidized Loans and Direct PLUS Loans are types of Direct Loans.

Direct Subsidized Loans- Are loans made to eligible undergraduate students who demonstrate *financial need to help cover the costs of higher education at a college or career school. The U.S. Department of Education pays the interest on the loan while you are enrolled in school at least half time and for the first six months after you leave school (referred to as a grace period). The maximum annual loan amount is \$3,500 for the first academic year and up to \$3,500 for the second academic year. (The amount is prorated for programs that are less than an academic year, or if there is less than an academic year remaining.) The interest rate for loans disbursed on or after July 1, 2017, is 4.45 percent.

Direct Unsubsidized Loans- Are loans made to eligible undergraduate students, but in this case, the student does not have to demonstrate *financial need to be eligible for the loan. The college will determine the amount you can borrow based on the cost of attendance and other financial aid you receive. You are responsible for paying the interest on a Direct Unsubsidized Loan during all grace periods. If you chose not to pay the interest while you are in school and during the grace periods, your interest will accrue and be capitalized (that is, your interest will be added to the principle amount of your loan). The maximum annual loan amount is \$2,000 for a dependent student or \$6,000 for an independent student (or a dependent student whose parent has been denied a PLUS Loan). (The amount is prorated for programs that are less than an academic year or if there is less than an academic year remaining.) The interest rate is 4.45 percent.

Direct PLUS Loans- Are loans made to parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid. This fixed rate loan is available only to parents without adverse credit histories.

*Financial Need is the difference between the cost of attendance (COA) at a school and your Expected Family Contribution (EFC). While COA varies from school to school, your EFC does not change based on the school you attend.

Entrance Counseling and Master Promissory Note (MPN) –Entrance Counseling will provide students with information such as; what a Direct Loan is and how the loan process works, ways to manage your educational expenses, your rights and responsibilities as a borrower.

The Master Promissory Note (MPN) is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s) including but not limited to; repayment requirements, sample repayment schedules, repayment options, and default consequences. Both Entrance Counseling and MPN must be completed prior to starting school.

Loan Repayment Requirements

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

All federal loans (Direct and PLUS programs) require repayment by the borrower according to the terms of the Master Promissory Note. Repayment options may include deferment and forbearance options. Borrowers should contact Direct Loan when needed. There is no pre-payment penalty for Direct and/or PLUS Loans.

Repayment Suggestions: Students are encouraged to create a user account at <https://www.myedaccount.com> to set up electronic debiting to assist with timely repayment. Pay more and more frequently to assure rapid repayment of student loans.

FINANCIAL AID DEADLINES

The deadlines for applying for financial aid (FAFSA) are 1) for incoming students, prior to enrolling for a class 2) for students attending more than one financial aid year, 45 days prior to graduation or no later than June 30 (whichever comes first).

A percentage of all Financial Aid applicants are selected for verification. If selected for verification, a Financial Aid Representative will contact you to discuss what is needed for verification and may request additional documentation, as appropriate. Once the college requests information, the student has 15 days to return the required information, or request an extended deadline (currently attending students must provide the information for verification no later than 30 days prior to graduation). Once the verification process is complete, the Financial Aid Office will be able to create your Estimated Financial Aid package.

*If a student becomes ineligible for Financial Aid, tuition costs may be converted to monthly payments.
