HELLO PROSPECTIVE STUDENT

The purpose of the catalog is to provide prospective and current students with information regarding Lytle’s Redwood Empire Beauty College (hereafter referred to as “Lytle’s Beauty College,” or “College”), including its rules, policies, and procedures.

This catalog is available on Lytle’s Beauty College website (lytlesrebc.edu). Upon request a paper copy of this catalog will be provided.

Lytle’s Beauty College is proud to be family owned and operated for over 47 years, and has remained committed to helping students achieve dreams, accomplish goals, and seize opportunity.

With the partnership of Pivot Point, Milady, and Muse Beauty, we offer education to become a Cosmetologist or an Esthetician. An education from Lytle’s Beauty College enables students to become entry-level industry professionals within the beauty industry. Our educators will train and guide students to apply their knowledge and techniques on mannequins and clients in a salon-like environment.

Cosmetology Program

The Cosmetology Program is a 1500-hour program of technical instruction and practical operations covering the practices of a Cosmetologist. We offer extensive training above and beyond the requirements set forth by the California Board of Barbering and Cosmetology for a student to obtain an entry level position upon graduation. Below is the scope of learning that will be provided at Lytle’s Beauty College:

Students will learn the fundamentals and theory of cutting, coloring, perming/relaxing, styling, and finishing hair; skin care, eyelash extensions, brow and lash tinting, lash lifting, waxing, sugaring, and makeup; nail care, nail techniques. Students will also learn customer service, business basics, and product knowledge in a module setting. Students attend a total of 4 12-week modules and complete training in a 5th module, the length of which will depend on the remaining required hours per student. Students will start in module 1 (also referred to as primary training), learning the fundamentals that will enable them to provide services to clients in the student salon. In modules 2-5 students spend time in theory class continuing to build on the fundamentals from the prior modules. In these modules they will continue in a classroom setting, as well as provide services to clients, and complete operations in the student salon. The student will spend on average 30.25 hours per week for their education.

Esthetician Program

The Esthetician Program is a 600-hour program of technical instruction and practical operations covering practices of an Esthetician in accordance with the requirements set forth by the California Board of Barbering and Cosmetology for a student to obtain an entry level position upon graduation.

Students will learn the fundamentals and theory of skin structure, upper body massage, our collection of signature facials and back treatments; the application of electrical modalities with these treatments; microdermabrasion, dermaplaning, facial and body waxing, sugaring, makeup application, lash and brow tinting, as well as eyelash extensions. Students will also learn customer service, business basics, and product knowledge in a module setting. The students first five weeks of training will be module 1 (also referred to as primary training). This is where students will learn the fundamentals to service clients in the student spa. Weeks 6-20 will consist of a combination of classroom time with theory and instruction building on the fundamentals from module 1 as well as time in the student spa administering services to clients. The student will spend on average 30.25 hours per week for their education.

The Arbitration Agreement does not, in any way, limit, relinquish, or waive a student's ability to pursue filing a borrower defense claim, pursuant to 34 C.F.R. § 685.206(e) at any time. The Arbitration Agreement does not require that the student participate in arbitration, or any internal dispute resolution process offered by the College prior to filing a borrower defense to repayment application with the U.S. Department of Education pursuant to 34 C.F.R. § 685.206(e). Any arbitration, required by the Arbitration Agreement, tolls (pauses) the limitations period for filing a borrower defense to repayment application pursuant to 34 C.F.R. § 685.206(e)(6)(ii) for the length of time that the arbitration proceeding is under way. ADMISSION REQUIREMENTS - CONTINUED

RE-ENTRY POLICY

A withdrawn student interested in re-entry must submit a written request, to the Director, stating why re-enrollment should be considered. Lytle's Beauty Colleges' Director will review the request for re-entry and make a determination on whether a student should be re-enrolled. When considering a written request for re-enrollment, the following factors are considered: (a) Previous academic and attendance record; (b) Ability of student to work with staff, students, and clients; (c) Reason for re-enrollment; and (d) Current student capacity. **Note:** Students with balances sent to collections are not eligible for re-enrollment. Students may only re-enroll two (2) times.

TRANSFER POLICY

Lytle's Beauty College considers hours for transfer students from other institutions on a case-by-case basis. The College will accept a maximum of 400 clock hours for the Cosmetology program and 150 clock hours for the Esthetician program for students who have completed previous training at an accredited cosmetology school in California within the past five years. Transfer hours accepted by the College are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Students who have had previous training outside the State of California must furnish proof to the California Board of Barbering and Cosmetology ("BBC") of clock/credit hours earned. After an evaluation, the BBC will notify the student, in writing, of the required number of hours that must be completed in a California School of Cosmetology to be eligible to take the state licensing examination. If a student is licensed in another state and does not meet the reciprocity requirements from the BBC and is required by the BBC to complete deficient hours. The student will need to follow the Admission Requirements and Process above, in addition, it is the student's responsibility to provide copies of all records of withdrawal from periods of previous training.

The cost for transfer students is based upon the current per-hour tuition rate. The per-hour cost does not include the cost of the required equipment and textbooks. The College does not grant credit for prior experiential learning. The College has not entered into an articulation or transfer agreement with any other college or university. The College does not accept credits through challenge examinations or achievements tests.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at Lytle's Beauty College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the diploma you earn in the educational program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or diploma that you earn at Lytle's Beauty College are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all your program work at that institution. For this reason, you should make certain that your attendance at Lytle's Beauty College will meet

your educational goals. This may include contacting an institution to which you may seek to transfer after attending Lytle's Beauty College to determine if your credits or diploma will transfer.

HONORS PROGRAM

The Lytle's Beauty College Honors Program includes Honors Awards, Discounted Personal Services and Honors Field Trips.

The minimum standard for qualification is 93% attendance and 85% academic average.

Upon graduation, students who have an overall GPA and attendance of 95% will graduate with honors and will receive an honors award.

All Graduate students receive life-time Alumni Discounts for services in our Student Salon.

ATTENDANCE POLICY

All students are expected to attend class regularly and be on time. Students are required to complete all program clock hours in accordance with state requirements. Students are expected to maintain 90% attendance or better to assure timely completion of his or her educational program. If a student drops below 85% attendance, additional fees will be assessed for "overtime" charges. Please keep in mind, that if a student is sick, they are required to stay home and utilize their absence hours.

All time is calculated in 15-minute increments. 15 minutes will be deducted whether you're one minute late or 15 minutes late after class start time. It is best practice to be on campus at a minimum of 15 minutes early to ensure you are on time, have all equipment needed for class, be in your seat, ready to learn, at class start time.

Students are allowed 10% of their contracted program length in hours to be absent.

Example: Cosmetology Program 1500 hours 10% = 150 hours for absences

Example: Esthetician Program 600 hours 10% = 60 hours for absences

The 10% absence policy and school calendar are built into the student enrollment agreement and contracted graduation date.

When a student requests to participate in an outside event such as Externship or field trips, a student's attendance and academics will be reviewed for qualification. Every month students with perfect attendance receive an award certificate.

Overtime Charges

A student who exceeds the allowed 10% absences will be charged \$20 dollars an hour for all additional absences. These fees are due once charged. If payment arrangements are needed to be considered, a student will need to make an appointment with the Director.

If a student drops below 80% attendance, they will be dropped from their program.

Late Arrival (Tardy Policy)

If a student is running late, they will be permitted into class or student salon, using their "Get Out of Jail Free" card, within 15 minutes of the class or student salon start time. The student will need to relinquish the card to the office to gain entry. Students arriving later than 15 minutes may be sent home. Absent hours will apply if a student is sent home.

"Get Out of Jail Free" cards are provided to the students, or they can win additional cards through our monthly contests. The student's name is written on their "Get Out of Jail Free" card and can only be utilized by that student.

Request for Absence Form

When a student knows that they will be requiring time off, a Request for Absence Form needs to be completed at the earliest knowledge of need for absence. This form needs to be completed for all requested time off, full days, partial days, pre-approved late arrival, and pre-approved early departures.

Once the Request for Absence form is completed, the Administrative Office will review the request, and depending on the student's attendance history, the request may be granted or denied. Students who are below 90% attendance or have a large sum of absent hours may be denied a Request for Absence.

****IMPORTANT PLEASE NOTE: There are no unexcused or excused absences. All absences accrue absent hours.**

Education and coursework missed due to absence is the sole responsibility of the student to make up.

ATTENDANCE POLICY - Continued

Pre-Approved Late Arrival: A student may formally request, in writing using the Request for Absence Form, late admittance into class due to mitigating circumstances, such as medical appointment, court appearance or other verifiable circumstances. The formal request should be submitted to the admissions office in advance of the requested date, and documentation is required prior to late entry to class.

Pre-Approved Early Departure: Leaving the College prior to regular dismissal time is an early departure. If a student must leave earlier than his or her scheduled dismissal time, he or she should complete a Request for Absence Form in advance of the departure, and he or she must clock out to receive hours. Exceptions to this rule may occur at the discretion of the College Director.

No Call/No Shows: A student who does not call in and does not come to school is called a "No Call/No Show". If a student "No Calls/No Shows" it really lets the team down. Should this happen twice during the duration of the student's education, they will be dropped from their program. This policy is inclusive of any grad nights or field trips that the student has signed up for.

A student who is absent, with no contact with the College, for 14 consecutive calendar days, will be automatically withdrawn from the program.

Attendance Advising

Should a student fall below 90% attendance or have excessive absences/tardiness, they will be given an attendance warning. Our goal is to ensure that a student can successfully complete their program without exceeding the 10% absentee policy. If the attendance warning does not improve attendance, the student will be placed on probation. The student will be required to attend a meeting with FA Compliance staff or the Director, these meetings are designed to keep students on track and encourage great attendance.

Due to the curriculum structure of Module 1 (primary training for cosmetologist and estheticians), it is highly encouraged that students maintain perfect attendance (100%). During primary training there is little option to make up coursework. Students with too many absences in Module 1 will be advised and based on academics, and curriculum missed the student's ability to continue with their module may be lost. A Leave of Absence should be considered.

Leave of Absence (LOA) Policy

A Student may request a Leave of Absence (LOA) due to various circumstances. Qualifying reasons for taking a LOA include pregnancy; hospitalization of the student, immediate family member, or someone to whom the student is designated as primary caregiver; military duty; temporary disability; or a serious medical emergency.

These are reasons that will require a temporary interruption in a student's program of study. A Leave of Absence (LOA) refers to the specific time during an ongoing program when a student is not in academic attendance. Students must follow the College's LOA policy in requesting a LOA.

A Leave of Absence must be a minimum of two weeks and all LOAs combined cannot exceed 180 days in a 12-month period. Students must follow the institution's Leave of Absence policy.

Regardless of the time out, a student will need to return to the same number Module and week that they were in when they left for the LOA. This is the only way to ensure quality training.

ATTENDANCE POLICY - Continued

LOA Procedures

1. The student must submit in advance and in writing, using the Leave of Absence form, a request for a LOA; the request must include the reason for the student's request, and include the student's signature. If the student is unable to complete the LOA form the student must submit in writing by means of mail or email a letter stating the nature of the request, and the requested start and end date of the LOA. Once the college receives your request, you will be contacted, notifying you if the LOA can be approved or not. The date of this notification will be the *official request date*.
2. Lytle's Beauty College may grant an LOA to a student who did not provide the request prior to the LOA for unforeseen circumstances if the College documents the reason for its decision, collects the request from the student at a later date, and established the date of the approved LOA as the first date the student was unable to attend. An example of an unforeseen circumstance is: if a student were injured in a car accident and needed a few weeks to recover before returning.
3. A Leave of Absence will only be granted if there is a reasonable expectation that the student will return from the LOA.
4. The LOA request and documentation reflecting the circumstance for the LOA must be completed and submitted to administration *within seven days of the official request date*. The return date for a Leave of Absence may be determined by Lytle's Beauty College administration.
5. No additional institutional charges will be assessed during a Leave of Absence. Students will not be assessed any additional charges because of a requested LOA.
6. A student granted a Leave of Absence that meets the LOA criteria is not considered to have withdrawn and no refund calculation is required at this time.
7. Lytle's Beauty College will extend the student's contract period by the same number of calendar days taken in the LOA. Such changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum to the enrollment agreement must be signed by all parties.
8. Should a student need to extend a Leave of Absence, the extension must be submitted in writing prior to the end date on the original LOA. The student will be notified by Administration if the extension is approved.
9. When returning from a Leave of Absence, the student must report to administration and if returning from a medical LOA, a doctor's release may be required.
10. A student will be withdrawn if the student takes an unapproved Leave of Absence or does not return by the expiration of an approved LOA. Under these circumstances, the student's official withdrawal date for the purpose of calculating a refund, will be the student's last date of attendance.
11. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the LOA. The hours elapsed during a LOA will not be included in the student's cumulative attendance percentage calculation.

If a student has not completed the proper LOA procedures, all time missed will count as absences from school and will affect overtime charges and Satisfactory Academic Progress. If a student misses over 14 calendar days without an official Leave of Absence, his/her contract will be terminated.

PRACTICAL & WRITTEN GRADING POLICIES

Students are evaluated and tested based on their technical skills and theoretical knowledge. The evaluation of progress is administered through written tests and grading practical operations while in the student salon and during Module classroom time.

Students are required to receive a 75% or higher on all exams, assignments and practical exams within the program curriculum as described and/or assigned. Written exams are graded on a point system that is then converted to a percentage. The converted percentages will be used when determining the grade average.

Written Grading Policy

The grading scale is based on percentages. Letter grades are not issued nor are incomplete ratings. Scores of 75% to 100% are satisfactory (passing). Scores of 74% and below are unsatisfactory/failing.

4 (A) 100-93, 3 (B) 92-85, 2 (C) 84-75, 1 (D) 74-0

During Primary Training, students can retake up to 2 failed chapter tests. Based on academic history with the college, the college will determine if the student will be able to benefit from the training, in some cases a student may be withdrawn for 3 or more failed tests.

All students outside of primary training can only re-take failed tests once, without consequence. The grade for a theory subject will be an average of assignments and the student's test scores in that subject (when applicable). If the average of all scores in a subject is below 75%, but the student attained a score of 75% or better on the re-test, a score of 75% will be recorded. Scores for exams in a repeated theory subject will only be recorded if they are better than the original score. However, students are required to take and pass all exams.

11. PRACTICAL & WRITTEN GRADING POLICIES - Continued

Practical Exam Grading Policy

Students are evaluated and tested based on their technical skills. The evaluation of progress is administered through practical examination using practical rubrics like the state exam. Practical exams are scored with a “yes” and “no” system. To calculate the overall competency, the educator will tally all “yes,” “no,” divide the number correct into the number possible, to determine the score, using a 100% scale. Letter grades are not issued nor are incomplete ratings. Scores of 75% to 100% are satisfactory (passing). Scores of 74% and below are unsatisfactory/failing.

4 (A) 100-93, 3 (B) 92-85, 2 (C) 84-75, 1 (D) 74-0

Student Salon Practical Progress

The four criteria below have been set as the bar for Salon activity with clients, mannequins, or working on each other.

1.) Consultation & Preparation	Meet our professional dress policy, greet the client warmly and introduce yourself. The discussions are about the service and the client's needs, not about yourself
2.) Setup	Setup is accurate, complete, and on time. Working area is clean and neat. Student listens to the needs of clients, asks questions, and estimates cost of service.
3.) Services & Procedures	At midpoints of service, movements, timing, product application, and steps of service are accurate and consistent to rubrics/protocols from primary training or manufacturers instructions.
4.) Closure	Student understands products and educates client about homecare. Student escorts client to reception area and cleans work area.

ADDITIONAL GUIDELINES

The following are additional guidelines to follow when graduating from the Primary Training to the Senior Salon Floor or Spa:

1. OPERATIONS: Have work evaluated at checkpoints for appropriate credit. For us to service your needs timely, communicate exactly what you need from us, we are advocates for your success.

2. THEORY: Theory starts promptly at the applicable start time, you must be in your seat, ready to learn. Late arrivals and pre-approved late arrivals will be managed in accordance with the Attendance Policy. You may not leave theory at any time. All students are required to attend weekly theory and participate in practical theory when applicable. Be prepared with writing tools, paper, text, and workbooks.

3. OPERATIONAL CREDIT FOR A MANNEQUIN: To receive credit for operations on a mannequin, you must perform the entire operation on the mannequin, including full SMA, set-up and break-down.

4. PERSONAL WORK: Any service received by a student is considered personal work (see receptionist for student pricing). To be eligible to receive personal work, students must meet the following criteria: 90% attendance, **NO ABSENCES, LEAVE EARLY OR LATE ARRIVAL 7 DAYS PRIOR TO REQUESTED SERVICE.** You must also be current on all operations and tests, with a passing score of 75% or better. A "REQUEST FOR PERSONAL WORK" form must be completed and signed by

Receptionist and Section Leader that day, then turned in to the receptionist with a deposit for chemical, facial and waxing services. Additionally, the Receptionist or Section Leader may deny personal work requests based on staffing or client levels. You may only receive the service requested. Any service not approved by appropriate staff will be terminated immediately. Additionally, any student who does not meet the above criteria for **Personal Work** becomes ineligible for student pricing during their unscheduled hours. Generally, one operation must be completed prior to receiving personal work, **work may not be received or performed the first hour of the day or on Saturdays.**

5. REQUEST FOR ABSENCE: If you need to request time off, complete a Request for Absence form, and have appropriate staff sign, and turn into receptionist. The COVID-19 pandemic does not allow for vacations during the school year.

6. ADDING A DAY: If you would like to add an extra day that is not part of your schedule, complete a "Request Make up Hours" form and have it signed by the receptionist. Attendance Policy applies to making up hours.

7. CLEANUP: Lytle's Beauty College has a nightly cleaning service to ensure the overall cleanliness of the college. Each student is responsible for his or her own area in classroom or the student salon. The **Cleanup** of the Facial Room, Makeup Station and Wax Room is a shared responsibility by the Esthetician Class.

After completing a service, it is the responsibility of the student to clean the area they were working in. Cleaning protocols are posted in the Student Salon.

8. CLIENTS: Always have a full consultation with client prior to starting service. All services need to be priced by the instructor and the student prior to start. Always complete a **Client Consultation Card**; be sure to include your name, date, cost, and service. When a service is complete your workmanship must be checked and graded on the Service. Escort your client to the front desk. This is the perfect opportunity to prescribe product. Students receive 15% of a full price sale in Beauty Bucks'.

9. Should you ever have a misunderstanding or feel uncomfortable with a client, immediately ask for an instructor's guidance.

10. DESK: Students are required to assist with the daily responsibilities of booking and answering appointment calls for the Esthetician Room and returning phone messages for appointments at the **Front Reception Desk**. It is the responsibility of the entire Esthetician class to keep the Esthetician Lab clean and restocked with professional products at each station. Use discretion when approaching and talking around the front desk; this is a place of business.

11. WHERE ARE YOU? We need to know where you are always. When you leave the floor (including going upstairs) please let an instructor and the receptionist know.

12. Student parking is prohibited in spaces that are directly in front of any building in the Wikiup Business Park. – Additional parking is available at The Cove Church parking lot.

DISABILITY ACCOMMODATION & GRIEVANCE POLICY - Continued

Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological and/or emotion diagnostic tests, functional effects, or limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations. The College may request additional documentation as needed.

After the ADA Compliance Coordinator receives the Request Form and the required documentation, he/she (or his/her trained designee) will engage the student or applicant in an interactive process to determine what accommodations may be appropriate.

If the student or applicant is denied the requested accommodation, he/she may file a grievance using the Grievance Process below or he/she may file a complaint with the U.S. Department of Education's Office for Civil Rights or a similar state entity. The College will make appropriate arrangements to ensure that disabled persons are provided other accommodations, if needed, to participate in this grievance process. The ADA Compliance Coordinator will be responsible for such arrangements.

Grievance Policy Relating to Complaints of Disability Discrimination

The College has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA. Any person who believes she/he has been subjected to discrimination based on disability, including disagreements regarding requested accommodations, may file a grievance with Deb Prolo, 176 Wikiup Drive Suite D Santa Rosa CA 95403 (707) 545-8490, dprolo@lytlesrebc.edu. Grievances must be in writing, containing the name and address of the person filing it, state the problem or action alleged to be discriminatory, and the remedy or relief sought.

The College will investigate the complaint filed and will not retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. All reasonable efforts will be made to provide a written determination to the student or applicant within 30 days after its filing. If a written determination cannot be made within 30 days of the complaint's filing, the student will be advised and provided an update as to the status of the investigation. The student may also inquire as to the status of the investigation at reasonable intervals. Based on the results of the investigation, the College will take all appropriate actions to prevent any reoccurrence of discrimination and/or to correct any discriminatory effects.

The availability and use of this grievance procedure do not prevent a person from filing a complaint of discrimination based on disability with the U. S. Department of Education's Office for Civil Rights and/or a similar state agency.

DRESS POLICY

As a student who has chosen a career in the field of Cosmetology or Esthetician, your professional appearance is critical. From your very first day of training to your last day, even after you have entered your career professionally, your poise, professionalism, even your ability to perform services will be judged by your own appearance. Since most students enter this profession because they enjoy making people feel good about the way they look, it is just as important to project yourself as the "professional" who can do just that.

Personal Hygiene: Proper personal hygiene must always be maintained. Be particular about your personal hygiene including cleanliness, mouth hygiene, and use of deodorants. Hair must be clean. Students who smoke during breaks and lunch must be odor free upon returning to classroom/student salon.

Makeup: Appropriate makeup (eyes, lips, and cheeks) is strongly recommended OR skin should have a polished and professional appearance.

DRESS POLICY - Continued

Hair: Styled hair is required. Remember that your appearance has an impact on how your clients view you professionally. All grooming (hair and skin) must have a polished look.

Clothing: All students are required to dress in a fashionable and appropriate manner, with the highest standards of the professional beauty industry. Dresses, skirts and “dress shorts” are permitted so long as they are of an appropriate length; meaning you can bend over, reach up or down without exposing your personal self. **Bare midriffs, low-cut tops, and provocative clothing are not permitted.** Athletic wear such as sweatshirts, sweatshirt hoodies, crewneck sweatshirts, bicycle shorts, athletic shoes, baseball caps, etc. are not permitted. **Clothing items bearing lewd and/or offensive symbols are not permitted.** Thick knit leggings are permitted with a **top that covers the backside and front of the lower body.** Mildly distressed jeans are permitted, **heavily distressed jeans are not permitted.** Distressed areas must not expose personal areas (such as under garments).

Shoes: Shoes need to be comfortable and clean. The following shoes are not allowed: Flip flops, Uggs (or their cousins), Crocs, slippers or shoes that resemble slippers, and athletic shoes.

ALL Students must wear their provided black or grey lab vest and a nametag while receiving clock hours.

This standard should be maintained during classroom and student salon/spa time, as well as during approved off-site educational events. Dress to be a success in our fashion forward industry. If a Student chooses to dress sloppily and is lacking a polished look, he/she will be advised and may be sent home.

SATISFACTORY ACADEMIC PROGRESS REPORT

Satisfactory academic progress is measured by the following Lytle's Beauty College standards and applies to all students regardless of what program they are enrolled in:

Program Name	First SAP Report	Second SAP Report	Third SAP Report
Cosmetology (30.25 average weekly hourly schedule)	450 hours (15 academic weeks)	900 hours (30 academic weeks)	1250 hours (41 academic weeks)
Esthetics (30.25 average weekly hourly schedule)	300 hours (10 academic weeks)	N/A	N/A
Nail Care (29.5 average weekly hourly schedule)	200 hours (8 academic weeks)	N/A	N/A
Transfer Students (Any Program)	Midpoint of the contracted hours or the established evaluation periods whichever comes first		
Note: All hours are based on actual hours			

The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are completed within 7 school business days of the student reaching the evaluation points.

The following grading system is used to evaluate a student's academic ability:

- Examinations are given in all subjects.
- Satisfactory Academic Progress Evaluations are reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress Evaluation will reflect if the student's evaluation impacts the students eligibility for Financial Aid. The student may request to review their financial aid file from the Financial Aid Officer or Director.

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor. Students must make up failed or missed tests and incomplete assignments.

***The school uses a 900-hour academic year for Title IV purposes.**

The state of California requires 1000 clock hours for the cosmetology course. Students at Lytle’s Redwood Empire Beauty College are trained for 1500 hours. Students are expected to complete the course in no more than 80% of the program length. If a student is never absent, he/she should complete the course within 51 academic weeks for a full-time student.

The state of California requires 600 clock hours for the esthetician’s course. Students are expected to complete the course in no more than 80% of the program length. If a student is never absent, he/she should complete the course within 20 academic weeks for a full-time student.

The state of California requires 400 clock hours for the nail care course. Students are expected to complete the course in no more than 80% of the program length. If a student is never absent, he/she should complete the course within 14 academic weeks for a full-time student.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the scheduled hours.

COURSE	LENGTH	MAXIMUM TIME FRAME
Cosmetology – Full Time	51 weeks	59.5 weeks
Esthetician – Full Time	20 weeks	24 weeks
Nail Care – Full time	14 weeks	16 weeks

The maximum time frame allowed for transfer students who need less than full course requirements will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame, they will lose their eligibility for Title IV programs and will be terminated from the program. Students who exceed the maximum time frame will be permitted to re-enroll in the program on a cash-pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completed are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student’s disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

If the student needs to take off more time than allotted in the enrollment agreement or more than 14 consecutive calendar days without an approved Leave of Absence (LOA), he/she must drop and reenroll when ready to return. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY - Continued

NONCREDIT, REMEDIAL COURSE, AND REPETITIONS

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school’s satisfactory academic progress standards.

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

WARNING

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and considered to be making satisfactory academic progress while during the warning period which is until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, he/she may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet the minimum requirements for attendance and academic progress after the Warning period, the student will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

STUDENT RIGHT OF ACCESS

The Family Education Rights and Privacy Act (FERPA) (20 U.S.C. § 1234g; 34 CFR Part 99) is a federal law that protects the privacy of education records. FERPA generally gives students the right to:

- The right to review their educational records.
- The right to seek correction of the contents of these records.
- The right to a formal hearing if seeking the correction of these records.
- The right to place a note of explanation in the records if their requested correction was unsuccessful.
- The right to request disclosure of the contents of the records.
- The right to file a complaint with the Department of Education if the College fails to comply with FERPA policies.

Family Policy
Compliance Office
U.S. Department of
Education 400
Maryland Ave, SW.
Washington DC,
20202

Students who wish to inspect and review their records may do so by submitting written request to the College Director or a Student Services Advisor during regular business hours. Records will be made available during regular business hours and on an appointment basis. Lytle's Beauty College will attempt to schedule such a review within 5 business days of the request receipt. Under the law the review must take place within 45 days. The review of all records will be supervised by an appropriate College official who may assist in the interpretation of the records. There is no fee for reviewing records. However, an administrative fee may be charged if copies are requested.

STUDENT RIGHT OF ACCESS - Continued

The disclosure of information will be recorded in the file and will include parties receiving information and the legitimate interests of the parties for inspection of the records.

Release of educational information is limited to authorized persons only unless such a release is with the written consent of the student. Requests for such release are to be submitted to the Student Services Advisor during regular business hours and must specifically state to whom and what records/information is to be released and for what purpose. Conditions, variations and/or exceptions of these requirements are listed below.

No personally identifiable information will be released to a third party without the written consent of the student unless it is:

- a. To College officials (including but not limited to educators) who have a legitimate educational interest in the information. A college official is defined as a person employed by the College in an administrative, supervisory, academic, research, or support staff position (including law enforcement until personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, information technology contractor, consultant, or collection agent); or assisting another College official in performing his or her tasks. A College official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.
- b. To officials of another school where the student seeks or intends to enroll.
- c. To representatives of the U.S. Government, state, and local authorities where required, and accrediting agencies.
- d. To comply with a judicial order, subpoena, or *ex parte* order.

The College provides access to student and other College records to our accrediting agency, the National Accrediting Commission of Career Arts and Sciences (NACCAS).

Disclosure to Parents

When a student turns 18 years old, all rights afforded to parents under *FERPA* transfer to the student. However, *FERPA* also provides ways in which schools may share information with parents without the student's consent.

For example:

- Schools may disclose educational records to parents if the student is a dependent for income tax purposes.
- Schools may disclose educational records to parents if a health or safety emergency involves their son or daughter.
- Schools may inform parents if the student who is under age 21 had violated any law or its policy concerning the use or possession of alcohol or a controlled substance.
- A school official may generally share with a parent information that is based on that official's personal knowledge or observation of the student.
- In all other circumstances Lytle's Beauty College will request written permission from the student giving the college permission to talk with the parent.

RECORD RETENTION AND TRANSCRIPTS

All student files are maintained in a secure location/office that is available to authorized personnel only and is locked when not occupied/in use. Any student information located on the college's computer system is secure and safeguarded with password protection and other measures.

Lytle's Beauty College will retain student records for a period of seven (7) years following the student's completion or withdrawal from the program in which they were enrolled. Academic transcripts will be held in perpetuity, beginning in 1988.

The College will provide a duplicate transcript or diploma at a cost of \$25 for each. Contact the Admissions Office for transcript requests (707) 545-8490.

STUDENT LOCATION AND CONTACT INFORMATION

Lytle's Beauty College will make a determination for all students regarding the state in which a student is located at the time of enrollment based on the address provided on the admissions application. **It is the student's responsibility to immediately notify Student Services, in writing, if any of their contact information changes, including address, phone number or email address.** Updates to such information is recorded in the College's student information system.

STUDENT STATUS

Individuals who enroll in a program of study at Lytle's Beauty College are students. Students at the College will learn in a variety of settings, including campus classrooms, practical labs, and in the student salon. Each learning environment is designed to advance and reinforce students' knowledge of their course of study in a different way.

The student salon offers students the opportunity to learn by doing in a simulated salon environment. Students will practice their skills on real, paying customers of the salon under the supervision of instructors. Practical skills learned in the salon include, but are not limited to, providing services for clients relating to hair, skin, and nails; light cleaning and disinfection; laundry related to client services; and practicing product knowledge and sales techniques.

Students are not employees of Lytle's Beauty College and will not be paid for any time spent learning by performing tasks in the College's student salon. A student's relationship with the College can only be changed from student to school employee-employer by following the College's ordinary application, interview, and hiring process. If a student believes that they are performing services for the College for which they should be paid, they should immediately contact Deb Prolo at dprolo@lytlesrebc.edu (707)545-8490.

STUDENT SUPPORT SERVICES

Educational Advising

Upon request, every student is extended the privilege of consulting with a supervisor of the College. Students receive automatic advising at the end of their basic training and near or at the completion of their education.

Referrals/Advising

The College, through the Director, will provide advising on general issues of a non-academic or non-attendance nature as needed or requested by the student. Lytle's Beauty College does not employ a professional counselor nor does the college assert responsibility for professional counseling services. In the event a student is having difficulty about a personal issue, the College staff may provide referral information (not limited to), childcare, housing, transportation, and medical referral. Students needing assistance and referral should contact the Student Services Director during regular business hours. Students are hereby advised that the college is required by its accreditation agency to maintain a record of professional referrals made. Such records are kept confidential and are maintained with the student's rights to privacy in mind.

Placement Assistance

Lytle's Beauty College does NOT guarantee employment for graduates. The College does, however, aid in finding employment by posting job openings for students on various social media platforms. Students also may receive training in job search skills including how to create their professional online social media presence. Externing students are often offered employment with their externing salon. Graduates are encouraged to maintain contact with the College and follow-up with the College on current employment or employment needs.

Student Business Cards

We encourage our students to do self-marketing. We provide students with an unlimited amount of student business cards that can be redeemed for 50% off any service for first-time clients. Cards must be given to a new client prior to coming in for a service. This is a way for students to build their clientele while in school, that will follow them into a salon once they are licensed. We also encourage cosmetology students to bring in and keep 20 clients, and Esthetician students to bring in and keep 10 clients while in school.

General Information and Conduct Issues

Students must attend the Open House and the class orientation prior to the first day of class. Open House provides general information about the College/industry/financial aid. Class Orientation is intended to inform and advise students of their rights and responsibilities while attending Lytle's Beauty College. The College will provide verbal or written advising regarding student conduct and/or violations of College policies and procedures as needed. The student must abide by all the student guidelines, rules of the college, and of the Board of Barbering and Cosmetology.

Financial Assistance

Grants and/or student loans may be available for students, this is determined by completing the FAFSA <https://studentaid.ed.gov/sa/fafsa>.

Additional scholarship information can be found through Beauty Changes Lives <https://beautychangeslives.org/>, as well as, American Association of Cosmetology Schools (AACCS) beautyschools.org/careers-inbeauty/grants_scholarships/

In addition, there are occasional scholarships that Lytle's Beauty College is informed of and they are shared with the student body.

Student loan advising is also provided for students who request student loans. Such advising is called entrance and exit counseling. Students should see a Financial Aid Advisor for assistance. For additional information, refer to Tuition and Financial Services in this catalog.

STUDENT TUITION RECOVERY FUND

STUDENT TUITION RECOVERY FUND DISCLOSURE: The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589. To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following: 1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau. 2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120day period before the program was discontinued. 3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure. 4. The institution has been ordered to pay a refund by the Bureau but has failed to do so. 5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution more than tuition and other costs. 6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution. 7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within

four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

TERMINATION POLICY

A student may be terminated from the College under the following conditions:

- Student who fails to attend classes for 14 consecutive days without notifying the College verbally or in writing of their intent to drop, shall be terminated 14 days after the student's last day of physical attendance.
- Failure to meet the College's rules and standards of conduct.
- Failure to meet financial obligations to the College.
- Unsatisfactory attendance preceded by reprimand, probation, and suspension.
- Failure to maintain a 75% grade average on both written exams and practical applications and/or failure to maintain at least 85% attendance.
- Misrepresentation of personal information on contracts or documents.
- Failure to meet any of the conditions as set forth and agreed to in the Enrollment Agreement.

Observance of the College's rules, policies and procedures as well as maintaining a professional manner is always required. Conduct which interferes with the education of other students and the operation of the College may result in termination.

A student can appeal a termination determination by filing an appeal with the Director within 10 business days from the date the student is notified of the termination.

- a. An appeal committee will be formed and provide written notice to the student of its decision within 15 days.
- b. The appeal committee will be comprised of 3-4 staff members in different departments. Each member of the appeal board must sign a confidentiality agreement.
- c. The decision of the committee shall be final.

TIME CLOCK PROCEDURE

Lytle's Beauty College expects students to be punctual and prepared to begin theory class on time. The student clocks in and out on a virtual time clock using a displayed QR code and their own mobile device, that downloads automatically in the FAME software.

The student must be within dress policy to clock in. After the student has been dismissed by his or her educator at the end of the day, the student is required to clock out. Students will not earn hours for periods in which they do not both clock in and out.

Applied Effort

Students must be engaged in practical or theory applications while clocked in. If a student is not applying effort they will be clocked out, or will not receive full hourly credit, and may be sent home. Operations and theory must be appropriate to the hours registered on a student's timecard.

Field Trips

When performing approved extra-curricular activities, in addition to scheduled hours, a student must complete a Field Trip form signed by the attending educator and must turn it in with the corresponding timecard to ensure appropriate credit is given. Appropriate practical credit will be given depending on the nature of the field trip and as certified by an attending staff member. Clock hours will be earned for the time certified by the staff member on the Field Trip form.

The college reserves the right to change tuition and fees, make changes in the subjects when necessary, and make substitutions in kits, as required, without prior notice. Any change in fees will not affect currently enrolled students.

Determination of Financial Need and Cost of Attendance

A student's financial need is determined using the predetermined Cost of Attendance and their Expected Family Contribution (EFC). The Expected Family Contribution (EFC) is a measure of the

PAYMENT METHODS - Continued

student's family financial strength and is calculated according to a formula established by law. The student's family taxed, and untaxed income, assets, and benefits (such as unemployment or Social Security) are all considered in the formula. Also considered are the family size and the number of family members who will attend college or career school during the year. The information the student reports on the Free Application for Federal Student Aid (FAFSA) is used to calculate the EFC. The College utilizes the student's EFC to determine the amount of financial aid a student is eligible for.

The basic formula for calculating financial need is:

Cost of Attendance

(COA)* **Less:** EFC *

Less: Scholarships received*

Less: Any assistance received from outside resources*

= Financial Need*

Note: Financial Need is calculated at the beginning of each academic year for the Cosmetology program.

Federal Title IV Financial Aid (available to those who qualify)

Complete the Free Application for Federal Student Aid (FAFSA) studentaid.gov Completing and submitting the FAFSA is free, and it gives you access to the largest source of financial aid to pay for college or career schools.

To complete the Free Application for Federal Student Aid (FAFSA), you will need:

- Your Social Security Number
- If you are not a citizen, your Alien Registration Number
- Your federal income tax returns, W-2's, and other records of money earned and or monies received.

(Note: You may be able to transfer your federal tax return information into your FAFSA using the IRS Data Retrieval Tool.)

- If applicable, additional asset information may be required.
- If applicable, the same information as above for your parent(s)
- Lytle's Beauty College, School Code: 013807
- An FSA ID to electronically sign your FAFSA.

The [FSA ID](#) is a username and password combination that serves as a student's or parent's identifier to allow access to personal information in various U.S. Department of Education systems and acts as a digital signature on some online forms.

Once the college receives a student's FAFSA information a Financial Aid Package will be created. The Financial Aid Package will include the total amount of financial aid a student is offered by Lytle's Beauty College.

Note: Student assistance funds are intended for educational purposes only. All students must always meet the eligibility requirements.

Types of Federal Financial Aid:

Grants and Scholarships

The U.S. Department of Education (DE) offers a variety of federal grants to students attending college or career schools. Grants are financial aid that does not have to be repaid (unless you withdraw from school and owe a refund of the grant). Listed below are the grants Lytle's Beauty College participates with:

1. **Federal Pell Grant:** The Federal Pell Grant Program provides need-based grants to undergraduate students to promote access to postsecondary education.

PAYMENT METHODS - CONTINUED

2. **Federal Supplemental Educational Opportunity Grant (SEOG):** Will be awarded to students based financial need, as determined by the FAFSA.

Federal Direct Loans (Subsidized and Unsubsidized)

The U.S. Department of Education (ED) offers the federal student loan program, which eligible students and parents borrow directly from the U.S. Department of Education at participating schools. Student loans do have to be paid back. Direct Subsidized Loans, Direct Unsubsidized Loans and Direct PLUS Loans are types of Direct Loans.

1. **Direct Subsidized Stafford Loan:** Are loans made to eligible undergraduate students who demonstrate financial need. Interest charges and payments begin six (6) months after the students last day of attendance.
2. **Direct Unsubsidized Stafford Loan:** These loans are for undergraduate students. Students are not required to demonstrate financial need to be eligible for these loans. Interest charges begin thirty days after loan funding and payments are not required while still attending college.
3. **Direct PLUS Loan:** Are loans made to parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid. This fixed rate loan is available only to parents upon credit approval from federal government.

*Financial Need is the difference between the cost of attendance (COA) at a school and your Expected Family Contribution (EFC). While COA varies from school to school, your EFC does not change based on the school you attend.

Loan Counseling and Master Promissory Note (MPN)

Entrance Counseling will provide students with information such as what a Direct Loan is and how the loan process works, ways to manage your educational expenses, your rights and responsibilities as a borrower. The Master Promissory Note (MPN) is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s) including but not limited to, repayment requirements, sample repayment schedules, repayment options, and default consequences. Both Entrance Counseling and MPN must be completed upon acceptance of the loans.

Exit Counseling: In addition to entrance counseling, all student loan recipients are also required to complete exit counseling. The exit counseling process will review the repayment requirements, options, and default consequences.

Loan Repayment Requirements

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest.

Additional Financial Assistance Information

Continued Eligibility: All students must remain eligible for aid at all times; this includes but is not limited to satisfactory academic progress standards. Changes in the student's status and other eligibility requirements will result in recalculation of the aid package, which may lead to a reduction or loss of awards. In the event the aid package is reduced or terminated, the student will be responsible for all financial obligations to the College.

Renewal Applications: An academic year is defined as the period of time normally spent completing one year of academic work. If part of the second academic year is in the next award year, applicants may be eligible for additional aid for the new academic year. Students must file a new FASFA application for the corresponding award year. Eligibility requirements still apply.

Award Year/Academic Year

All financial aid is impacted by the definition of an Award Year and an Academic Year. An Award Year is defined by the Federal Government as July 1 of a year to June 30 of the following year. An Academic Year is defined by the College for each program offered. The academic year must be within guidelines established by the Federal Government.

Financial aid awards are prorated according to the length of the program according to the number of hours and weeks the student will be in attendance during an academic year.

Payment of Awards

Most funds are disbursed according to payment periods or award periods. Award amounts in most cases are divided into two payment periods and will only be disbursed after the payment period has begun and only if the student is deemed to be in satisfactory progress. In the case of second payment periods, awards will be disbursed only if the student has successfully completed the appropriate number of clock hours and weeks of instruction required for the payment period. Failure to successfully complete the proper number of clock hours and weeks of instruction by the required date of evaluation may delay the next payment. To avoid delays in the payment of awards, students applying for financial assistance should make sure that all corresponding application materials, verification documents and/or other financial aid related items are into the financial aid office. Lytle's Beauty College is not responsible for the reduction or cancellation of aid due to a student's failure to submit required application materials or a failure to maintain eligibility standards.

Pell Grant Disbursements

The earliest the Financial Aid department will request student Pell Grant funds is the day after the first day of attendance. Lytle's Beauty College will not disburse funds prior to the start date. The College issues books and equipment to students on the first day of class or at class orientation, providing that all admissions and financial aid requirements are met. Books and equipment are included as part of the student's total expected cost for the program and do not have to be paid for separately.

Pell Grants are disbursed over two or more payment periods.

Cosmetology:

- 1st disbursement 1 - 450 clock hours
- 2nd disbursement covers 451 - 900 clock hours*
- 3rd disbursement covers 901-1,250 clock hours*
- 4th disbursement covers 1,251-1,500 clock hours*

Esthetician

- 1 - 300 clock hours
- 301-600 clock hours

*To be eligible to receive multiple disbursements, students must have remaining eligibility for Pell funds during the payment period of that award year.

In addition, all students must maintain Satisfactory Academic Progress to be eligible for disbursement of a Pell Grant Award.

Verification

During the Financial Aid application process, the U.S. Department of Education randomly selects Financial Aid applications for the institution to verify. It is the responsibility of all students chosen for verification to submit the required verification documentation within 15 days of being notified by the college, should the college receive the required documentation later than 15 days, enrollment or aid may be delayed. Should there be discrepancies in the information provided by the

student or parent, the Financial Aid Advisor will notify them that additional information may be required to resolve the conflict.

Verification must be completed timely. Students, who fail to comply with verification requirements, including submitting documentation within required timelines, will not have Federal Title IV funds disbursed and may have Federal Title IV funds cancelled. Lytle's Beauty College considers the student to be the responsible party for providing information and completing the verification process. Students can complete the verification process with the Financial Aid Advisor. The advisor will enter the corrections (if needed) into FAME, financial aid software, who will transmit the information to the Central Processing System and inform the students of any changes in eligibility.

On the occasion that a student is selected for verification after being awarded Title IV aid, the student will be subject to all the rules and requirements of verification as those applicants who were selected before being awarded. If the student's federal Title IV aid eligibility changes because of corrections made through the verification process or by the student (online), the student will be responsible for any reduction to their Title IV aid. Lytle's Beauty College will notify the student in writing, of any changes to his or her Title IV aid. All Title IV aid changes will also be reflected on the student's monthly payment plan.

It is illegal to falsify documents in effort to secure federal or state funds for educational or other purposes. After review of an application, Lytle's Beauty College will refer an applicant to the Office of Inspector General if it has any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her financial aid application. Intentional misreporting or misrepresentation of information on application forms and/or other documents is a violation of the law, is considered a criminal offense and will subject all parties involved to penalties under the U.S. Criminal Code. Tampering with grades and/or clocking in/out of another student and/or other time clock misuse is considered a misrepresentation of information and therefore may be considered fraud. Disciplinary action up to and including termination will result.
