Hello Prospective Student

The purpose of this catalog is to provide both prospective and current students with comprehensive information about Lytle's Redwood Empire Beauty College (hereafter referred to as "Lytle's Beauty College" or the "College"), including details on institutional rules, policies, and procedures.

It is available online at lytlesrebc.edu, and printed copies are available upon request.

For over 50 years, Lytle's Beauty College has been proudly family-owned and operated. We remain dedicated to empowering students to pursue their dreams, reach their goals, and embrace new opportunities in the beauty industry.

Through our valued partnerships with Pivot Point, Milady, and industry leading brands, the College offers comprehensive training programs in Cosmetology and Esthetics. Our curriculum prepares students to enter the beauty industry as knowledgeable and skilled entry-level professionals. Under the guidance of experienced educators, students develop their technical abilities and apply their training in a hands-on, salon-like environment using mannequins and real clients.

Cosmetology Program

Lytle's Beauty College offers a comprehensive 1,500-hour Cosmetology Program that combines technical instruction with hands-on practical experience, preparing students for a career as licensed Cosmetologists. Our curriculum exceeds the minimum standards established by the California Board of Barbering and Cosmetology, equipping students with the skills and knowledge necessary for entry-level employment in the beauty industry.

Program Overview:

Students will receive in-depth instruction in the following areas:

- **Skin Services:** Skincare, eyelash extensions, brow and lash tinting, lash lifting, waxing, sugaring, and makeup application
- **Nail Services:** Nail care and various nail enhancement techniques
- **Professional Development:** Customer service, business fundamentals, and product knowledge

The program is structured into four 12-week instructional modules, followed by a fifth module tailored to each student's remaining required hours.

All students begin with **Module 1**, also known as **Primary Training**, where they learn foundational skills necessary to begin providing services in the student salon.

In **Modules 2 through 5**, students continue theoretical education, develop advanced techniques, and gain practical experience by performing services in a salon-like environment.

Students typically attend an average of **30.25 hours per week** to complete their training.

Esthetician Program

Lytle's Beauty College offers a 600-hour Esthetician Program that combines technical instruction with practical experience to prepare students for a career as licensed Estheticians. The curriculum is designed to meet the requirements of the California Board of Barbering and Cosmetology and to equip students with the skills needed for entry-level positions in the skincare industry upon graduation.

Students attend an average of 30.25 hours per week to complete the program.

Mission Statement

The mission of Lytle's Redwood Empire Beauty College is to prepare students to pass the state's written exam and enter the workforce as confident, entry-level professionals. We provide a creative and nurturing educational environment that supports each student's desire to serve clients, encouraging both personal and professional growth in Cosmetology, Esthetics, and life. Our goal is to help students recognize the path to becoming the best professionals they can be—sparking curiosity, inspiring commitment, and instilling the understanding that these careers are a journey of lifelong learning.

History

Redwood Empire Beauty College, Inc. was originally founded in 1936. Ed Lytle purchased the College in 1976. Following in her father's footsteps, Kathleen Lytle entered the world of Cosmetology, and purchased the college from her father Ed in 2009 and is still the owner today. Kathy has been actively involved in the field for many years as a hair stylist, salon owner, guest lecturer, and platform artist. Lytle's Redwood Empire Beauty College became accredited by NACCAS in 1976 and has maintained that accreditation since. Shortly after becoming accredited, Lytle's Beauty College was authorized by

the Department of Education to participate in the Title IV federal student aid programs. Throughout the years Lytle's Beauty College has continued to evolve and grow.

Lifelong Learning

The beauty industry is a constantly evolving field, requiring professionals to pursue ongoing education to stay current and maintain excellence in their craft. While continuing education is not required by the California State Board of Barbering and Cosmetology for license renewal, additional training and hands-on experiences may be necessary—or highly beneficial—in order to grow in specialized areas and meet the diverse needs of today's clients. At Lytle's Beauty College, students are encouraged to embrace lifelong learning through continuing education, advanced workshops, and outside educational opportunities.

Languages Offered

All programs at Lytle's Beauty College are offered exclusively in English. Students must be able to read and write in English at a level equivalent to that of a graduate from an American high school, as demonstrated by a high school diploma, GED, or passage of the California High School Proficiency Exam. The College does not offer English as a Second Language (ESL) instruction. However, students may request a copy of the catalog and enrollment agreement for the purpose of translation into their native language, at their own expense

Rights

The College reserves the right to change its rules, policies, and procedures. The College will notify students of any policy change in writing. The College also reserves the right to add or withdraw any course and may change, create, or modify supplies, dress code, curriculum format, educational methods and delivery, program schedules, or any other published information as conditions warrant.

Arbitration and Class Action Waiver Disclosure:

Lytle's Beauty College requires each student to agree to a pre-dispute arbitration agreement and a class action waiver as a condition of enrollment ("Arbitration Agreement"). The Arbitration Agreement does not, in any way, limit, relinquish, or waive a student's ability to pursue filing a borrower defense claim, pursuant to 34 C.F.R. § 685.206(e) at any time. The Arbitration Agreement does not require that the student participate in arbitration, or any internal dispute resolution process offered by the College prior to filing a borrower defense to repayment application with the U.S. Department of Education pursuant to 34 C.F.R. § 685.206(e). Any arbitration, required by the Arbitration Agreement, tolls (pauses) the limitations period for filing a borrower defense to repayment application pursuant to 34 C.F.R. § 685.206(e)(6)(ii) for the length of time that the arbitration proceeding is under way. Any questions about the Arbitration Agreement or a dispute relating to a student's Title IV Federal student loans or to the provision of educational services for which the loans were provided should be directed to Contact: Jordyn Vehmeyer, Director, 707 545-8490.

Re-Entry Policy

A withdrawn student interested in re-entry must submit a written request to the Director, stating why re-enrollment should be considered. Lytle's Beauty Colleges' Director will review the request for re-entry and make a determination on whether a student should be re-enrolled. When considering a written request for re-enrollment, the following factors are considered: (a) Previous academic and attendance record; (b) Ability of student to work with staff, students, and clients; (c) Reason for re-enrollment; and (d) Current student capacity.

Note: Students with balances sent to collections are not eligible for re-enrollment. Students may only re-enroll two (2) times.

Transfer Policy

Lytle's Beauty College reviews transfer hours from other institutions on a **case-by-case basis**. The College will accept:

- A **maximum of 400 clock hours** for the **Cosmetology** program
- A **maximum of 150 clock hours** for the **Esthetician** program

To qualify, previous training must have been completed at an **accredited cosmetology school in California** within the **last five years**.

Accepted transfer hours will count toward the total program hours required for graduation and are considered both **attempted and completed hours** for the purpose of determining whether a student is within the **maximum time frame for completion**.

Students who have completed training **outside of California** must submit proof of earned clock or credit hours directly to the **California Board of Barbering and Cosmetology (BBC)**. After evaluating the documentation, the BBC will notify the student **in writing** of the number of additional hours required to be completed at a California cosmetology school to become eligible for the state licensing exam.

If a student is licensed in another state but **does not meet reciprocity requirements**, the BBC may mandate additional hours. In this case, the student must follow the College's **standard admission process** and is responsible for providing copies of all **withdrawal records from prior training**.

The Family Education Rights and Privacy Act (FERPA) (20 U.S.C. § 1234g; 34 CFR Part 99) is a federal law that protects the privacy of education records. FERPA generally gives students the right to:

- The right to review their educational records.
- The right to seek correction of the contents of these records.
- The right to a formal hearing if seeking the correction of these records.
- The right to place a note of explanation in the records if their requested correction was unsuccessful.
- The right to request disclosure of the contents of the records.
- The right to file a complaint with the Department of Education if the College fails to comply with FERPA policies.

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave, SW.
Washington DC, 20202

Students who wish to inspect and review their records may do so by submitting written request to the College Director or a Student Services Advisor during regular business hours. Records will be made available during regular business hours and on an appointment basis. Lytle's Beauty College will attempt to schedule such a review within 5 business days of the request receipt. Under the law the review must take place within 45 days. The review of all records will be supervised by an appropriate College official who may assist in the interpretation of the records. There is no fee for reviewing records. However, an administrative fee may be charged if copies are requested.

The disclosure of information will be recorded in the file and will include parties receiving information and the legitimate interests of the parties for inspection of the records.

Release of educational information is limited to authorized persons only unless such a release is with the written consent of the student. Requests for such release are to be submitted to the Student Services Advisor during regular business hours and must specifically state to whom and what records/information is to be released and for what purpose. Conditions, variations and/or exceptions of these requirements are listed below.

No personally identifiable information will be released to a third party without the written consent of the student unless it is:

1. To College officials (including but not limited to educators) who have a legitimate educational interest in the information. A college official is defined as a person employed by the College in an administrative, supervisory, academic, research, or support staff position (including law enforcement until personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, information technology contractor, consultant, or collection agent); or

assisting another College official in performing his or her tasks. A College official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.

2. To officials of another school where the student seeks or intends to enroll.
3. To representatives of the U.S. Government, state, and local authorities where required, and accrediting agencies.
4. To comply with a judicial order, subpoena, or *ex parte* order.

The College provides access to student and other College records to our accrediting agency, the National Accrediting Commission of Career Arts and Sciences (NACCAS).

Disclosure to Parents

When a student turns 18 years old, all rights afforded to parents under *FERPA* transfer to the student. However, *FERPA* also provides ways in which schools may share information with parents without the student's consent.

For example:

- Schools may disclose educational records to parents if the student is a dependent for income tax purposes.
- Schools may disclose educational records to parents if a health or safety emergency involves their child.
- Schools may inform parents if the student who is under age 21 had violated any law or its policy concerning the use or possession of alcohol or a controlled substance.
- A school official may generally share with a parent information that is based on that official's personal knowledge or observation of the student.
- In all other circumstances Lytle's Beauty College will request written permission from the student giving the college permission to talk with the parent.

Voter Registration

We encourage students to register to vote. You can go to the following website and follow the instructions to register to vote – sos.ca.gov/elections. This webpage contains everything you need to know about the requirements to be allowed to vote and how to become a registered voter as well as deadlines for submission of the applications.

Peer to Peer File Sharing

Students authorized to utilize the institutional electronic equipment for purposes of conducting research, practical work, writing essays, doing homework assignments or in any general use of the equipment for course-related work, are strictly unauthorized to copy or distribute any copyrighted material and any violations will subject the individual violator (staff member, non-staff member or student) to civil and criminal liabilities. If the violation includes the use of individually owned equipment, the individual will not be allowed to bring in their personal equipment onto the school premises. Second violation, the staff member may be terminated, or the student may be expelled from school. This decision will be taken by school administration. The College conducts annual evaluations of the procedures in place to prevent any violations of copyrighted materials observing the need of the students to have access to the institutional network. The College will keep a log summarizing violation reported and disciplinary actions taken.

Attendance Policy

All students are expected to attend class regularly and arrive on time. Completion of all required program clock hours in accordance with state regulations is mandatory. To ensure timely program completion, students should maintain an attendance rate of 90% or higher. If a student’s attendance falls below 90%, they will be notified verbally or in writing. Students who are ill are required to stay home and use their allotted absence hours accordingly.

Attendance time is tracked in 15-minute increments. Whether a student is 1 minute late or up to 15 minutes late after class start time, 15 minutes will be deducted from their attendance record. To promote punctuality, students are encouraged to arrive at least 15 minutes early to prepare and be ready to begin class on time, fully equipped and seated. Students are allowed 10% of their contracted program length in hours to be absent.

Students are allowed to be absent for up to **10% of their contracted program hours**.

Example: Cosmetology Program 1500 hours 10% = 150 hours for absences

Example: Esthetician Program 600 hours 10% = 60 hours for absences

The 10% absence policy and school calendar are built into the student enrollment agreement and contracted graduation date.

When a student requests to participate in an outside event such as Externship or field trips, a student's attendance and academics will be reviewed for qualification.

- If a student calls out absent during the week (Tuesday – Friday) the student is to inform the office of their absence before the class start time (8:30am Tuesday, Wednesday, and Friday. 10:00am on Thursday). If the student does not contact the office prior to the class start time, that student will receive an absence status of no call/no show. Call or text 707.545.8490

Saturday Attendance Policy

If a student will be absent on a Saturday, they must call the student salon at (707) 545-8449 (CALL ONLY) before 8:30 a.m., the start of class.

Failure to notify the student salon before class on Saturday will result in a no-call/no-show absence.

Students who choose to pick up an additional Saturday shift and then no-call/no-show or call out, will lose the privilege to pick up any additional Saturdays for the remainder of their program. (See no call policy on page 32)

Requests to have a Saturday off must be submitted at least one full week in advance.

Saturday Absence Limits:

- **Cosmetology students** are allowed to miss up to **2 Saturdays** (scheduled or unscheduled) during their entire training. Missing a **third Saturday** or any additional Saturdays will result in suspension the following Tuesday, which will accrual of absent hours.
- **Esthetics students** are allowed to miss only **1 Saturday** (scheduled or unscheduled) during their entire training. Missing a **second Saturday** or any additional Saturdays will result in suspension the following Tuesday, which will accrual of absent hours.

Overtime Charges

Students who exceed the allowed 10% absence limit will be charged \$20.00 per hour for all additional absence hours. These fees are due immediately upon notification, and students will not be permitted to attend classes until payment is made. Absent hours will continue to accrue for any missed time resulting from non-payment. If a student requires payment arrangements, they must schedule an appointment with the Director to discuss options. Additionally, students whose attendance falls below 80% will be dropped from their program.

Late Arrival (Tardy Policy)

If you are running late, you **MUST** report your tardiness prior to the scheduled class start time. Students who are running late may use a "Late Entry Card" card to gain entry to class or the student salon **up to 15 minutes** after the scheduled start time. To do so, the student must report to the office and surrender their card before being admitted.

Students arriving more than 15 minutes late will be sent home, and absent hours will be recorded for that time.

- Cosmetology students receive 4 cards throughout their training.
- Esthetician students receive 2 cards during their training.
- Additional cards may be earned through monthly contests.

Each card is personalized with the student's name and may only be used by the assigned student.

Unused Late Entry Cards can be redeemed at the end of training for \$10 in Beauty Bucks per card submitted to the office.

Request for Absence Form

When a student is aware of an upcoming absence, a Request for Absence Form must be completed as soon as the need is known. This form is required for all planned time off, including:

- Full-day absences
- Partial-day absences
- Pre-approved late arrivals
- Pre-approved early departures

Once submitted, the Administrative Office will review the request. Approval is based on the student's attendance history. Students with attendance below 90% or excessive absent hours may be denied.

Saturday Request:

Requests for Saturday absences must be submitted at least one week in advance.

IMPORTANT:

- ***There are no excused or unexcused absences—all absences accrue absent hours.***
- *Missed coursework due to absence is the sole responsibility of the student to make up.*
- *Any student who is absent with no communication to the College for 14 consecutive calendar days will be automatically withdrawn from the program.*

Pre-Approved Late Arrival:

Students may request late admittance to class due to mitigating circumstances (e.g., medical appointments, court appearances, or other verifiable events). To be considered:

- Submit a Request for Absence Form in advance
- Provide supporting documentation prior to late entry
- Approval is at the discretion of the Administrative Office

Pre-Approved Early Departure:

Leaving before scheduled dismissal is considered an early departure. To request early departure:

- Complete a Request for Absence Form in advance
- Students must clock out to receive appropriate credit for hours earned
- Exceptions may be made at the discretion of the College Director

No Call/No Shows:

A student who does not contact the school before the start of their scheduled class and fails to attend is considered a No Call / No Show (NC/NS).

- Two NC/NS occurrences will result in the student being dropped from their program
- This includes missed grad nights, field trips, or any extracurricular activity the student signed up for

- Each NC/NS will result in a two-day suspension, beginning the first scheduled class day following the incident

Attendance Advising

If a student's attendance falls below 90% or if they accumulate excessive absences or tardiness, they will receive an attendance warning. This measure is intended to help students successfully complete their program within the allowed 10% absence limit. If attendance does not improve following the warning, the student will be placed on probation. At this time, the student must attend a meeting with a member of the administrative staff. These meetings are designed to support students, encourage consistent attendance, and keep them on track toward graduation.

Because of the intensive curriculum structure of Module 1 (primary training for Cosmetology and Esthetics students), maintaining 100% attendance during this phase is strongly encouraged. Due to limited opportunities for makeup work during Module 1, excessive absences may negatively impact a student's academic progress and their ability to continue in the module. In cases of significant absences during Module 1, students will be advised accordingly, and a Leave of Absence may be recommended to ensure successful program completion.

Leave of Absence (LOA) Policy

A Student may request a Leave of Absence (LOA) due to various circumstances. Qualifying reasons for taking a LOA include pregnancy; hospitalization of the student, immediate family member, or someone to whom the student is designated as primary caregiver; military duty; temporary disability; or a serious medical emergency.

These are reasons that will require a temporary interruption in a student's program of study. A Leave of Absence (LOA) refers to the specific time during an ongoing program when a student is not in academic attendance. Students must follow the College's LOA policy in requesting a LOA.

A Leave of Absence must be a minimum of two weeks and all LOAs combined cannot exceed 180 days in a 12-month period. Students must follow the institution's Leave of Absence policy. Regardless of the time out, a student will need to return to the same number Module and week that they were in when they left for the LOA. This is the only way to ensure quality training.

LOA Procedures

1. The student must submit in advance and in writing, using the Leave of Absence form, a request for a LOA; the request must include the reason for the student's request, and include the student's signature. If the student is unable to complete the LOA form the student must submit in writing by means of mail or email a letter stating the nature of the request, and the requested start and end date of the LOA. Once the college receives your request, you will be contacted, notifying you if the LOA can be approved or not. The date of this notification will be the *official request date*.
2. Lytle's Beauty College may grant an LOA to a student who did not provide the request prior to the LOA for unforeseen circumstances if the College documents the reason for its decision, collects the request from the student at a later date, and established the date of the approved LOA as the first date the student was unable to attend. An example of an unforeseen circumstance is: if a student were injured in a car accident and needed a few weeks to recover before returning.
3. A Leave of Absence will only be granted if there is a reasonable expectation that the student will return from the LOA.
4. The LOA request and documentation reflecting the circumstance for the LOA must be completed and submitted to administration *within seven days of the official request date*. The return date for a Leave of Absence may be determined by Lytle's Beauty College administration.
5. No additional institutional charges will be assessed during a Leave of Absence. Students will not be assessed any additional charges because of a requested LOA.

6. A student granted a Leave of Absence that meets the LOA criteria is not considered to have withdrawn and no refund calculation is required at this time.
7. Lytle's Beauty College will extend the student's contract period by the same number of calendar days taken in the LOA. Such changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum to the enrollment agreement must be signed by all parties.
8. Should a student need to extend a Leave of Absence, the extension must be submitted in writing prior to the end date on the original LOA. The student will be notified by Administration if the extension is approved.
9. When returning from a Leave of Absence, the student must report to administration and if returning from a medical LOA, a doctor's release may be required.
10. A student will be withdrawn if the student takes an unapproved Leave of Absence or does not return by the expiration of an approved LOA. Under these circumstances, the student's official withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.
11. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the LOA. The hours elapsed during a LOA will not be included in the student's cumulative attendance percentage calculation.

If a student has not completed the proper LOA procedures, all time missed will count as absences from school and will affect overtime charges and Satisfactory Academic Progress. If a student misses over 14 calendar days without an official Leave of Absence, their contract will be terminated.

Students who are on LOA are not eligible for Student Pricing in the Salon/Spa.

Time Clock Procedure

Lytle's Beauty College expects all students to be punctual and prepared to begin class on time. Students are required to clock in and out using the biometric fingerprint scanner, which records attendance automatically through the Prestige software system. In order to clock in, students must be in full compliance with the College's dress code. At the end of the day, students may only clock out after being dismissed by their educator.

Students must clock out for lunch for a minimum of 25 minutes each day. Time will not be awarded for any period during which a student fails to clock in or out, including lunch breaks. If a student forgets to clock in, out, or back in from lunch, they will not receive hours for that time, and absent hours will be applied accordingly. If you fail to punch out for at least 25 minutes for lunch, you will lose an hour for the day.

Applied Effort

Students must be actively engaged in practical or theoretical learning activities while clocked in. Lack of effort or refusal to participate will result in the student being clocked out and sent home. If a student is unable or unwilling to work on a client they are booked with, or refuses to perform a specific service assigned to them, they will be clocked out and dismissed for the day. All practical operations and theory work must correspond appropriately to the hours recorded on the student's timecard.

Field Trips

When participating in approved extracurricular activities outside of scheduled hours, students must complete a **Field Trip form** signed by the attending educator. This form must be submitted along with the corresponding timecard to ensure proper credit is awarded.

Practical credit will be granted based on the nature of the field trip and as verified by the attending staff member. Clock hours earned will correspond to the time certified on the Field Trip form.

If a student signs up for a field trip but cannot attend, they **must find a replacement participant**. Failure to do so will require the student to attend the trip or face a **no-call/no-show (NC/NS) status** for that day, which will result in a **two-day suspension**, in accordance with the NC/NS policy.

Teaching and Learning Methods

The clock-hour education is provided through a sequential set of learning steps which address specific knowledge necessary for written state board preparation, Lytle's Beauty College's practical evaluation and graduation. A graduate of Lytle's Beauty College is equipped with entry level skills and ready for employment. Clinic equipment, implements, and products are comparable to those used in the industry today. Each student will receive instruction that relates to the performance of useful, creative, and productive career-oriented activities. The course is presented through comprehensive lesson plans which reflect effective educational methods. Subjects are presented by means of interactive lecture demonstration, cooperative learning, labs, student salon activities, and student participation. Audio-visual aids, guest speakers, projects, activities, and other related learning methods are utilized in the course.

Satisfactory Academic Progress (SAP) Policy

Future Professionals enrolled in any NACCAS approved program must meet formal standards that measure satisfactory academic progress towards graduation. The policy is provided to all students at class orientation. The policy is consistently applied to all students. Satisfactory Academic Progress Policy is maintained in the student's file.

SAP Quantitative and Qualitative Factors

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

- A minimum cumulative average on written exams of 75% for Cosmetology, Esthetician, and Nail Care.
- A minimum cumulative average on practical exams of 75% for Cosmetology, Esthetician, and Nail Care.
- Maintain 90% attendance rate not to exceed 80% of their scheduled hours. **
- Grades are based on a 100% scale. Progress is evaluated at the hour markers listed in the chart below.

** To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.

A student who has not achieved the minimum written cumulative GPA of 85% and minimum practical cumulative GPA of 80% and/or who has not successfully completed at least a cumulative rate of attendance of 70% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation.

Grading Scale

Lytle's Redwood Empire Beauty College uses the grading scale below for written exams:

Percent Correct Written Answers	Grade
90% - 100%	4 = A
85% - 89%	3 = B
75% - 79%	2 = C
Below 75%	Failing

Lytle's Redwood Empire Beauty College uses the below grading scale for practical exams:

Percent Correct Practical Answers	Grade
90% - 100%	4 = A
80% - 89%	3 = B
75% - 79%	2 = C
Below 75%	Failing

Satisfactory Academic Progress Report

Satisfactory academic progress is measured by the following Lytle's Beauty College standards and applies to all students regardless of what program they are enrolled in:

Program Name	First SAP Report	Second SAP Report	Third SAP Report
Cosmetology (30.25 average weekly hourly schedule)	450 hours (15 academic weeks)	900 hours (30 academic weeks)	1250 hours (41 academic weeks)
Esthetics (30.25 average weekly hourly schedule)	300 hours (10 academic weeks)	N/A	N/A
Nail Care (29.5 average weekly hourly schedule)	200 hours (8 academic weeks)	N/A	N/A
Transfer Students (Any Program)	Midpoint of the contracted hours or the established evaluation periods whichever comes first		
Note: All hours are based on actual hours			

The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are completed within 7 school business days of the student reaching the evaluation points.

The following grading system is used to evaluate a student's academic ability:

- Examinations are given in all subjects.
- Satisfactory Academic Progress Evaluations are reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress Evaluation will reflect if the student's evaluation impacts the student's eligibility for Financial Aid. The student may request to review their financial aid file from the Financial Aid Officer or Director.

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score which means one or more of

the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor. Students must make up failed or missed tests and incomplete assignments.

NOTE: *The school uses a 900-hour academic year for Title IV purposes.

Completion of Course Within Designated Period of Time

Full-time day students attend five (5) days Tuesday through Saturday, 30.25 hours per week, from 8:30 AM to 4:00 PM Tuesday, Wednesday, Friday, Thursday 10:00-4:00, and from 8:30 AM to 3:00 PM on every other Saturday after primary training. Note: All hours are based on actual hours							

The state of California requires 1000 clock hours for the cosmetology course. Students at Lytle's Redwood Empire Beauty College are trained for 1500 hours. Students are expected to complete the course in no more than 80% of the program length. If a student is never absent, they should complete the course within 51 academic weeks for a full-time student.

The state of California requires 600 clock hours for the esthetician's course. Students are expected to complete the course in no more than 80% of the program length. If a student is never absent, they should complete the course within 20 academic weeks for a full-time student.

The state of California requires 400 clock hours for the nail care course. Students are expected to complete the course in no more than 80% of the program length. If a student is never absent, they should complete the course within 14 academic weeks for a full-time student.

Maximum Time Frame

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the scheduled hours.

Course	Length	Maximum Time Frame
Cosmetology – Full Time	51 weeks	56 weeks
Esthetician – Full Time	20 weeks	24 weeks
Nail Care – Full time	14 weeks	16 weeks

The maximum time frame allowed for transfer students who need less than full course requirements will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame, they will lose their eligibility for Title IV programs and will be terminated from the program. Students who exceed the maximum time frame will be permitted to re-enroll in the program on a cash-pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completed are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student's disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

Interruptions, Course Incompletes, and Withdrawals

If the student needs to take off more time than allotted in the enrollment agreement or more than 14 consecutive calendar days without an approved Leave of Absence (LOA), they must drop and reenroll when ready to return. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

Noncredit, Remedial Course, and Repetitions

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Transfer Hours

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution.

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

Warning

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and considered to be making satisfactory academic progress while during the warning period which is until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, they may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds.

Probation

Students who fail to meet the minimum requirements for attendance and academic progress after the Warning period, the student will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of

the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

Re-Establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

Graduation Requirements

1. Completion of the required program clock hours, theory hours and practical operations as mandated by the State and the College.
2. Complete and successfully pass all practical and written tests; and
3. Fulfill all financial obligations owed to the College.

A diploma & Proof of Training will be issued upon completing all the above items satisfactorily.

Practical and Written Grading Policies

Students are evaluated and tested based on their technical skills and theoretical knowledge. The evaluation of progress is administered through written tests and grading practical operations while in the student salon and during Module classroom time.

Students are required to receive a 75 percent or higher on all exams, assignments and practical exams within the program curriculum as described and/or assigned. Written exams are graded on a point system that is then converted to a percentage. The converted percentages will be used when determining the grade average.

Written Grading Policy

The grading scale is based on percentages. Letter grades are not issued nor are incomplete ratings. Scores of 75% to 100% are satisfactory (passing). Scores of 74% and below are unsatisfactory/failing.

4 (A) 100-93, 3 (B) 92-85, 2 (C) 84-75, 1 (D) 74-0

During Primary Training, students can retake up to 2 failed chapter tests. Based on academic history with the college, the college will determine if the student will be able to benefit from the training, in some cases a student may be withdrawn for 3 or more failed tests.

All students outside of primary training can only retake failed tests **once**, without consequence. The grade for a theory subject will be an average of assignments and the student's test scores in that subject (when applicable). If the average of all scores in a subject is below 75%, but the student attained a score of 75% or better on the re-test, a score of 75% will be recorded. Scores for exams in a repeated theory subject will only be recorded if they are better than the original score. However, students are required to take and pass all exams.

If a student misses an exam, it is their responsibility to arrange and complete a makeup exam. If the student is scheduled to arrive early to take the exam and fails to arrive on time, they will be considered

late and will be sent home for the day. (Exam retakes are typically scheduled for Thursdays at 9:00 AM but may vary in the event of extenuating circumstances.)

Practical Exam Grading Policy

Students are evaluated and tested based on their technical skills. The evaluation of progress is administered through practical examination using practical rubrics like the state exam. Practical exams are scored with a "yes" and "no" system. To calculate the overall competency, the educator will tally all "yes," "no," divide the number correct into the number possible, to determine the score, using a 100% scale. Letter grades are not issued nor are incomplete ratings. Scores of 75% to 100% are satisfactory (passing). Scores of 74% and below are unsatisfactory/failing.

4 (A) 100-93, 3 (B) 92-85, 2 (C) 84-75, 1 (D) 74-0

Lytle's Beauty College will retain student records for a period of seven (7) years following the student's completion or withdrawal from the program in which they were enrolled. Academic transcripts will be held in perpetuity, beginning in 1988.

The College will provide a duplicate transcript or diploma at a cost of \$25 for each. Contact the Admissions Office for transcript requests (707) 545-8490.

Student Location and Contact Information

Lytle's Beauty College will make a determination for all students regarding the state in which a student is located at the time of enrollment based on the address provided on the admissions application. **It is the student's responsibility to immediately notify Student Services, in writing, if any of their contact information changes, including address, phone number or email address.** Updates to such information is recorded in the College's student information system.

Externship Policy

NOTE: Reference Section 7395.1, Business and Professions Code.

The College participates and complies with the Board of Barbering and Cosmetology (BBC) Externship program, which serves as a bridge between the college experience and employment. This program provides opportunities for the student to experience a Salon atmosphere, receive school credit in our personally selected (and approved by the BBC) partner salons throughout the greater Bay Area. It helps students hone what they have learned in school and helps prepare them for the professional world. Externships are provided based on salon availability, student eligibility and Lytle's Beauty Colleges' discretion.

Students must meet the following requirements to participate in Lytle's Beauty College's Externship program.

- Cosmetology students must have at least 750 hours and have attended the extern field trip in Mod 3.
- Esthetic students must have at least 300 hours.
- Students who wish to extern need to have completed at least 50% of the required minimum practical operations and minimum hours of technical instruction. See Goal Setting document for required number of theory hours and operations.
- Externship hours and schedules will be personalized for each student by the Curriculum Director.
- Students must be current on all academics: tests, homework, operations, theory.
- Students may not extern more than 25 hours in any week (Monday through Sunday).

- Students may not extern during Theory hours, Mod week, Scheduled Saturday's, or Student announcements. Students may extern during salon floor hours with approval of the Curriculum Director.
- Student must punch out before leaving to extern, and track extern hours on the extern timesheet.
- Tuition must be current to participate in the extern program.
- Students must always wear their extern's name badge when externing.
- Students are responsible for calling the salon where they are assigned to schedule an externing appointment, find out about the salon's dress code, operating hours, directions, etc.
- If a student is unable to make it to an extern appointment, it is the student's responsibility to call the salon and the school and let them know.
- Externs can perform services on paying clients, in an assisting capacity only with the direct and immediate supervision of a licensee. An extern is allowed to receive financial compensation if it is offered by the partner salon.

Students may be withdrawn from the Externship program for the following reasons:

- Failing to show up for an extern assigned shift.
- Calling out of an assigned shift twice, or any unapproved missed Saturday shifts
- Calling in sick, to Lytle's Beauty College, or late more than 3 times at during the duration of their externship participation.

Student Support Services

Educational Advising

Upon request, every student is extended the privilege of consulting with a supervisor of the College. Students receive automatic advising at the end of their basic training and near or at the completion of their education.

Referrals/Advising

The College, through the Director, will provide advising on general issues of a non-academic or non-attendance nature as needed or requested by the student. Lytle's Beauty College does not employ a professional counselor nor does the college assert responsibility for professional counseling services. In the event a student is having difficulty about a personal issue, the College staff may provide referral information (not limited to), childcare, housing, transportation, and medical referral. Students needing assistance and referral should contact the Student Services Director during regular business hours. Students are hereby advised that the college is required by its accreditation agency to maintain a record of professional referrals made. Such records are kept confidential and are maintained with the student's rights to privacy in mind.

Housing

In looking at the current range of apartment rentals in our area, we found that apartment rentals are going for \$2,000-\$3,500.00 per month. There are several apartment complexes located conveniently near the college, including but not limited to: Sonoma Ranch Apartment Homes, Hopper Lane Apartments, Creekside Apartments at Wikiup, and Vineyard Creek Apartments. The College does not have any affiliation with any of these apartment complexes, and this statement is not an endorsement for or against any facility.

Placement Assistance

Lytle's Beauty College does NOT guarantee employment for graduates. The College does, however, aid in finding employment by posting job openings for students on various social media platforms. Students also may receive training in job search skills including how to create their professional online social media presence. Externing students are often offered employment with their externing salon. Graduates are encouraged to maintain contact with the College and follow-up with the College on current employment or employment needs.

Student Business Cards

We encourage our students to do self-marketing. We provide students with an unlimited number of student business cards that can be redeemed for 50% off any service for first-time clients. Cards must be given to a new client prior to coming in for a service. This is a way for students to build their clientele while in school, which will follow them into a salon once they are licensed. We also encourage cosmetology students to bring in and keep 20 clients, and Esthetician students to bring in and keep 10 clients while in school.

General Information and Conduct Issues

Students must attend the Open House and the class orientation prior to the first day of class. Open House provides general information about the College/industry/financial aid. Class Orientation is intended to inform and advise students of their rights and responsibilities while attending Lytle's Beauty College. The College will provide verbal or written advising regarding student conduct and/or violations of College policies and procedures as needed. The student must abide by all the student guidelines, rules of the college, and of the Board of Barbering and Cosmetology.

Student Status

Individuals who enroll in a program of study at Lytle's Beauty College are students. Students at the College will learn in a variety of settings, including campus classrooms, practical labs, and in the student salon. Each learning environment is designed to advance and reinforce students' knowledge of their course of study in a different way.

The student salon offers students the opportunity to learn by doing in a simulated salon environment. Students will practice their skills on real, paying customers of the salon under the supervision of instructors. Practical skills learned in the salon include, but are not limited to, providing services for clients relating to hair, skin, and nails; light cleaning and disinfection; laundry related to client services; and practicing product knowledge and sales techniques.

Students are not employees of Lytle's Beauty College and will not be paid for any time spent learning by performing tasks in the College's student salon. A student's relationship with the College can only be changed from student to school employee-employer by following the College's ordinary application, interview, and hiring process. If a student believes that they are performing services for the College for

which they should be paid, they should immediately contact Jordyn Vehmeyer at jvehmeyer@lytlesrebc.edu (707) 545-8490.

Financial Assistance

Grants and/or student loans may be available for students, this is determined by completing the FAFSA <https://studentaid.ed.gov/sa/fafsa>.

Additional scholarship information can be found through Beauty Changes Lives <https://beautychangeslives.org/>, as well as, American Association of Cosmetology Schools (AACCS) beautyschools.org/careers-inbeauty/grants_scholarships/.

In addition, there are occasional scholarships that Lytle's Beauty College is informed of and they are shared with the student body.

Student loan advising is also provided for students who request student loans. Such advising is called entrance and exit counseling. Students should see a Financial Aid Advisor for assistance. For additional information, refer to Tuition and Financial Services in this catalog.

Payment Methods

A student may fulfill their financial obligations to the College via: (a) full payment at the time of signing the Enrollment Agreement; (b) down payment paid at the time of signing the Enrollment Agreement with balance paid on start date; or (c) down payment paid at the time of signing the Enrollment Agreement with an approved payment schedule (as stated on student's Enrollment Agreement). Methods of payment of monies owed to the College include credit card (will incur a 3.5% processing fee), money order, check, Title IV or other federal/state financial aid or loans.

Different payment methods are available. Whether through the various financial aid programs, additional resources, or a combination of methods, each student is treated as an individual, and a final payment schedule will be agreed upon in writing prior to the start of class.

Payments made in accordance with the student's payment schedule are due on the 1st of each month and can be made by cash, check, money order, cashier's check, credit card, or debit card (will incur a 3.5% processing fee). Payments made after the 10th of the month will be charged a \$25.00 late fee.

The college reserves the right to change tuition and fees, make changes in the subjects when necessary, and make substitutions in kits, as required, without prior notice. Any change in fees will not affect currently enrolled students.

Determination of Financial Need and Cost of Attendance

A student's financial need is determined using the predetermined Cost of Attendance and their Expected Family Contribution (EFC). The Expected Family Contribution (EFC) is a measure of the student's family financial strength and is calculated according to a formula established by law. The student's family taxed, and untaxed income, assets, and benefits (such as unemployment or Social Security) are all considered in the formula. Also considered are the family size and the number of family members who will attend college or career school during the year. The information the student reports on the Free Application for Federal Student Aid (FAFSA) is used to calculate the EFC. The College utilizes the student's EFC to determine the amount of financial aid a student is eligible for.

The basic formula for calculating financial need is:

Cost of Attendance (COA)*

Less: EFC *

Less: Scholarships received*

Less: Any assistance received from outside resources*

= Financial Need*

Note: Financial Need is calculated at the beginning of each academic year for the Cosmetology program.

Federal Title IV Financial Aid (available to those who qualify)

Complete the Free Application for Federal Student Aid (FAFSA) studentaid.gov Completing and submitting the FAFSA is free, and it gives you access to the largest source of financial aid to pay for college or career schools.

To complete the Free Application for Federal Student Aid (FAFSA), you will need:

- Your Social Security Number
- If you are not a citizen, your Alien Registration Number
- Your federal income tax returns, W-2's, and other records of money earned and or monies received.

NOTE: You may be able to transfer your federal tax return information into your FAFSA using the IRS Data Retrieval Tool.)

- If applicable, additional asset information may be required.
- If applicable, the same information as above for your parent(s)
- Lytle's Beauty College, School Code: 013807
- An FSA ID to electronically sign your FAFSA.

The FSA ID is a username and password combination that serves as a student's or parent's identifier to allow access to personal information in various U.S. Department of Education systems and acts as a digital signature on some online forms.

Once the college receives a student's FAFSA information a Financial Aid Package will be created. The Financial Aid Package will include the total amount of financial aid a student is offered by Lytle's Beauty College.

NOTE: Student assistance funds are intended for educational purposes only. All students must always meet the eligibility requirements.

Types of Federal Financial Aid:

Grants and Scholarships

The U.S. Department of Education (DE) offers a variety of federal grants to students attending college or career schools. Grants are financial aid that does not have to be repaid (unless you withdraw from school and owe a refund of the grant). Listed below are the grants Lytle's Beauty College participates with:

1. **Federal Pell Grant:** The Federal Pell Grant Program provides need-based grants to undergraduate students to promote access to postsecondary education.
2. **Federal Supplemental Educational Opportunity Grant (SEOG):** Will be awarded to students based financial need, as determined by the FAFSA.

Federal Direct Loans (Subsidized and Unsubsidized)

The U.S. Department of Education (ED) offers the federal student loan program, which eligible students and parents borrow directly from the U.S. Department of Education at participating schools. Student loans do have to be paid back. Direct Subsidized Loans, Direct Unsubsidized Loans and Direct PLUS Loans are types of Direct Loans.

1. **Direct Subsidized Stafford Loan:** Are loans made to eligible undergraduate students who demonstrate financial need. Interest charges and payments begin six (6) months after the students last day of attendance.
2. **Direct Unsubsidized Stafford Loan:** These loans are for undergraduate students. Students are not required to demonstrate financial need to be eligible for these loans. Interest charges begin thirty days after loan funding and payments are not required while still attending college.
3. **Direct PLUS Loan:** Are loans made to parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid. This fixed rate loan is available only to parents upon credit approval from federal government.

* Financial Need is the difference between the cost of attendance (COA) at a school and your Expected Family Contribution (EFC). While COA varies from school to school, your EFC does not change based on the school you attend.

Loan Counseling and Master Promissory Note (MPN)

Entrance Counseling will provide students with information such as what a Direct Loan is and how the loan process works, ways to manage your educational expenses, your rights and responsibilities as a borrower. The Master Promissory Note (MPN) is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s) including but not limited to, repayment requirements, sample repayment schedules, repayment options, and default consequences. Both Entrance Counseling and MPN must be completed upon acceptance of the loans.

Exit Counseling: In addition to entrance counseling, all student loan recipients are also required to complete exit counseling. The exit counseling process will review the repayment requirements, options, and default consequences.

Loan Repayment Requirements

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest.

Additional Financial Assistance Information

Continued Eligibility: All students must remain eligible for aid at all times; this includes but is not limited to satisfactory academic progress standards. Changes in the student's status and other eligibility requirements will result in recalculation of the aid package, which may lead to a reduction or loss of awards. In the event the aid package is reduced or terminated, the student will be responsible for all financial obligations to the College.

Renewal Applications: An academic year is defined as the period of time normally spent completing one year of academic work. If part of the second academic year is in the next award year, applicants may be eligible for additional aid for the new academic year. Students must file a new FASFA application for the corresponding award year. Eligibility requirements still apply.

Award Year/Academic Year

All financial aid is impacted by the definition of an Award Year and an Academic Year. An Award Year is defined by the Federal Government as July 1 of a year to June 30 of the following year. An Academic Year is defined by the College for each program offered. The academic year must be within guidelines established by the Federal Government.

Financial aid awards are prorated according to the length of the program according to the number of hours and weeks the student will be in attendance during an academic year.

Payment of Awards

Most funds are disbursed according to payment periods or award periods. Award amounts in most cases are divided into two payment periods and will only be disbursed after the payment period has begun and only if the student is deemed to be in satisfactory progress. In the case of second payment periods, awards will be disbursed only if the student has successfully completed the appropriate number of clock hours and weeks of instruction required for the payment period. Failure to successfully complete the proper number of clock hours and weeks of instruction by the required date of evaluation may delay the next payment. To avoid delays in the payment of awards, students applying for financial assistance should make sure that all corresponding application materials, verification documents and/or other financial aid related items are into the financial aid office. Lytle's Beauty College is not responsible for the reduction or cancellation of aid due to a student's failure to submit required application materials or a failure to maintain eligibility standards.

Pell Grant Disbursements

The earliest the Financial Aid department will request student Pell Grant funds is the day after the first day of attendance. Lytle's Beauty College will not disburse funds prior to the start date. The College issues books and equipment to students on the first day of class or at class orientation, providing that all admissions and financial aid requirements are met. Books and equipment are included as part of the student's total expected cost for the program and do not have to be paid for separately.

Pell Grants are disbursed over two or more payment periods.

Cosmetology:

- 1st disbursement 1 – 450 clock hours
- 2nd disbursement covers 451 – 900 clock hours*
- 3rd disbursement covers 901 – 1,250 clock hours*
- 4th disbursement covers 1,251 – 1,500 clock hours*

Esthetician:

- 1 – 300 clock hours
- 301 – 600 clock hours

* To be eligible to receive multiple disbursements, students must have remaining eligibility for Pell funds during the payment period of that award year.

In addition, all students must maintain Satisfactory Academic Progress to be eligible for disbursement of a Pell Grant Award.

Verification

During the Financial Aid application process, the U.S. Department of Education randomly selects Financial Aid applications for the institution to verify. It is the responsibility of all students chosen for verification to submit the required verification documentation within 15 days of being notified by the college. Should the college receive the required documentation later than 15 days, enrollment or aid may be delayed. Should there be discrepancies in the information provided by the student or parent, the Financial Aid Advisor will notify them that additional information may be required.

Verification must be completed timely. Students who fail to comply with verification requirements, including submitting documentation within required timelines, will not have Federal Title IV funds disbursed and may have Federal Title IV funds cancelled. Lytle's Beauty College considers the student to be the responsible party for providing information and completing the verification process. Students can complete the verification process with the Financial Aid Advisor. The advisor will enter the corrections (if needed) into Prestige, financial aid software, who will transmit the information to the Central Processing System and inform the students of any changes in eligibility.

When a student is selected for verification after being awarded Title IV aid, the student will be subject to all the rules and requirements of verification as those applicants who were selected before being awarded. If the student's federal Title IV aid eligibility changes because of corrections made through the verification process or by the student (online), the student will be responsible for any reduction to their Title IV aid. Lytle's Beauty College will notify the student in writing of any changes to his or her Title IV aid. All Title IV aid changes will also be reflected on the student's monthly payment plan.

It is illegal to falsify documents in effort to secure federal or state funds for educational or other purposes. After review of an application, Lytle's Beauty College will refer an applicant to the Office of Inspector General if it has any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her financial aid application. Intentional misreporting or misrepresentation of information on application forms and/or other documents is a violation of the law, is considered a criminal offense and will subject all parties involved to penalties under the U.S. Criminal Code. Tampering with grades and/or clocking in/out of another student and/or other time clock misuse is considered a misrepresentation of information and therefore may be considered fraud. Disciplinary action up to and including termination will result.

Student's Right to Cancel and Refund Policy

This is a state mandated policy following the Bureau for Private Postsecondary Education Code of Regulation 71750. This policy applies to all students and programs.

 - b. A student (or in the case of a student under legal age, their parent or guardian) cancels his/her enrollment agreement and demands their money back in writing, through attendance at the seventh (7th) calendar day after enrollment. In this case, all monies collected by the school shall be refunded except a nonrefundable application fee. This policy applies regardless of whether or not the student has actually started training.
 - c. A student who cancels their enrollment agreement after the seventh (7th) calendar day of signing the enrollment agreement but prior to entering classes is entitled to a refund of all monies paid to the school less the application fee.

- d. A student notifies the institution of their official withdrawal in writing.
 - e. A student is expelled by the institution.

Written cancellations need not take any particular form.

Any monies due a student who unofficially withdraws from Lytle's Redwood Empire Beauty College shall be refunded within 30 days of a determination by the college that the student has withdrawn without notifying Lytle's Redwood Empire Beauty College. Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student's actual last date of attendance.
 4. When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.
 5. All extra costs, such as books, equipment, application fee, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment agreement.
 6. Monies paid for supplies and equipment are nonrefundable after seven (7) calendar days of signing the enrollment agreement, but prior to entering classes, whichever is later.
 7. If a course and/or program is cancelled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
 8. If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
 9. A student's account may be sent to collections for nonpayment.
 10. If an institution closes or discontinues a program prior to the completion of the contracted services, the institution shall provide a pro-rata refund only if the Bureau determines the school made provisions for students enrolled at the time of default to complete a comparable educational program at another institution at no additional charge to the student beyond the amount of the total charges in the original enrollment agreement. If the institution does not make that provision, the institution shall provide students a full refund of all institutional charges.
 11. A student is entitled to a refund of monies not paid from federal student aid program funds. Students are responsible for the amount owed. If a student obtains a student loan, they are responsible for repaying the loan amount, plus interest, less the amount of any refund. The institution shall also provide a pro rata refund of non-federal student financial aid program monies paid for institutional charges to students who have completed 60 percent or less of the period of attendance. Lytle's Redwood Empire Beauty College shall refund 100% of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed \$250, if notice of cancellation is made through attendance in the 7th day after enrollment.

If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b. You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Student Tuition Recovery Fund Disclosure

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution more than tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Disability Accommodation and Grievance Policy

Statement of Non-Discrimination and Accommodation

Lytle's Beauty College ("the College") does not discriminate based on disability. Individuals with disabilities are entitled to a reasonable accommodation to ensure that they have full and equal access to the educational resources of the College, consistent with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) ("Section 504") and the Americans with Disabilities Act (42 U.S.C. § 12182) ("ADA") and their related statutes and regulations.

Section 504 prohibits discrimination based on disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating based on disability. The applicable law and regulations may be examined in the office of the ADA Compliance

Coordinator, who has been designated to coordinate the efforts of the college to comply with Section 504 and ADA.

Requests for Disability Accommodation

Individuals with disabilities wishing to request a reasonable accommodation must contact the ADA Compliance Coordinator. A disclosure of a disability or a request for accommodation made to a faculty or staff member, other than the ADA Compliance Coordinator, will not be treated as a request for an accommodation. However, if a student discloses a disability to faculty or staff member, they are required to direct the student to the ADA Compliance Coordinator. Upon request, the ADA Compliance Coordinator (or their trained designee) will provide a student or applicant with a **Request for Accommodations form**.

To help ensure timely consideration and implementation, individuals making a request for an accommodation are asked to contact the ADA Compliance Coordinator and/or submit a Request for Accommodations form at least two weeks prior to when the accommodation is needed.

Individuals requesting reasonable accommodation may be asked to provide medical documentation substantiating their physical and/or mental impairment(s) and/or the need for the requested accommodation(s), including but not limited to when the limitation or impairment is not readily apparent and/or a requested accommodation does not clearly relate to the impairment(s). Such documentation should specify that a student has a physical or mental impairment and how that impairment substantially limits one or more major life activities. In general, the supporting documentation must be dated less than three years from the date a student requests a reasonable accommodation, and must be completed by a qualified professional in the arena of the student's disability, as enumerated below:

Disability	Qualified Professional
Physical disability	MD, DO
Visual impairment	MD, ophthalmologist, optometrist
Mobility, orthopedic impairment	MD, DO
Hearing impairment	MD, Audiologist (Au. D) *audiology exam should not be more than a year old
Speech and language impairment	Licensed speech professional
Learning disability	PhD Psychologist, college learning disability specialist, another appropriate professional
Acquired brain impairment	MD neurologist, neuropsychologist
Psychological disability	Psychiatrist, PhD Psychologist, LMFT or LCSW
ADD/ADHD	Psychiatrist; PhD Psychologist, LMFT or LCSW
Other disabilities	MD who practices or specializes within the field of the disability.

Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological

and/or emotion diagnostic tests, functional effects, or limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations. The College may request additional documentation as needed.

After the ADA Compliance Coordinator receives the Request Form and the required documentation, they (or their trained designee) will engage the student or applicant in an interactive process to determine what accommodations may be appropriate.

If the student or applicant is denied the requested accommodation, they may file a grievance using the Grievance Process below or they may file a complaint with the U.S. Department of Education's Office for Civil Rights or a similar state entity. The College will make appropriate arrangements to ensure that disabled persons are provided other accommodations, if needed, to participate in this grievance process. The ADA Compliance Coordinator will be responsible for such arrangements.

Grievance Policy Relating to Complaints of Disability Discrimination

The College has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA. Any person who believes she/he has been subjected to discrimination based on disability, including disagreements regarding requested accommodations, may file a grievance with Jordyn Vehmeyer, 176 Wikiup Drive Suite D Santa Rosa CA 95403 (707) 545-8490, jvehmeyer@lytlesrebc.edu. Grievances must be in writing, containing the name and address of the person filing it, state the problem or action alleged to be discriminatory, and the remedy or relief sought.

The College will investigate the complaint filed and will not retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. All reasonable efforts will be made to provide a written determination to the student or applicant within 30 days after its filing. If a written determination cannot be made within 30 days of the complaint's filing, the student will be advised and provided an update as to the status of the investigation. The student may also inquire as to the status of the investigation at reasonable intervals. Based on the results of the investigation, the College will take all appropriate actions to prevent any reoccurrence of discrimination and/or to correct any discriminatory effects.

The availability and use of this grievance procedure do not prevent a person from filing a complaint of discrimination based on disability with the U. S. Department of Education's Office for Civil Rights and/or a similar state agency.
